

## **APPENDIX VII**

### Coincidence of maximum annual discharges

Appendix VII.1.1

**Fig. 1.1/1.** Coincidence of maximum annual discharges of the Danube at HS Hofkirchen and HS Achleiten

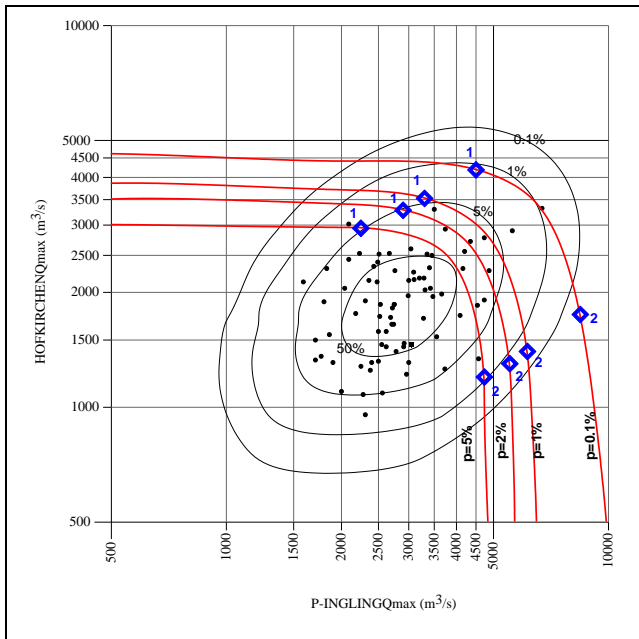

**Fig. 1.1/2.** Coincidence of maximum annual discharge of the Danube at HS Hofkirchen and corresponding discharge of the Danube at HS Achleiten

**Fig. 1.1/3.** Coincidence of maximum annual discharges of the Danube at HS Achleiten and corresponding discharges of the Danube at HS Hofkirchen

Appendix VII.1.2

**Fig. 1.2/1.** Coincidence of maximum annual discharges of the Danube at HS Hofkirchen and maximum annual discharges of the Inn at HS P-Ingling

**Fig. 1.2/2.** Coincidence of maximum annual discharges of the Danube at HS Hofkirchen and corresponding discharges of the Inn at HS P-Ingling

**Fig. 1.2/3.** Coincidence of maximum annual discharges of the Inn at HS P-Ingling and corresponding discharges of the Danube at HS Hofkirchen

Appendix VII.1.3

**Fig. 1.3/1.** Coincidence of maximum annual discharges of the Danube at HS Achleiten and maximum annual discharges of the Inn at HS P-Ingling

**Fig. 1.3/2.** Coincidence of maximum annual discharges of the Danube at HS Achleiten and corresponding discharges of the Inn at HS P-Ingling

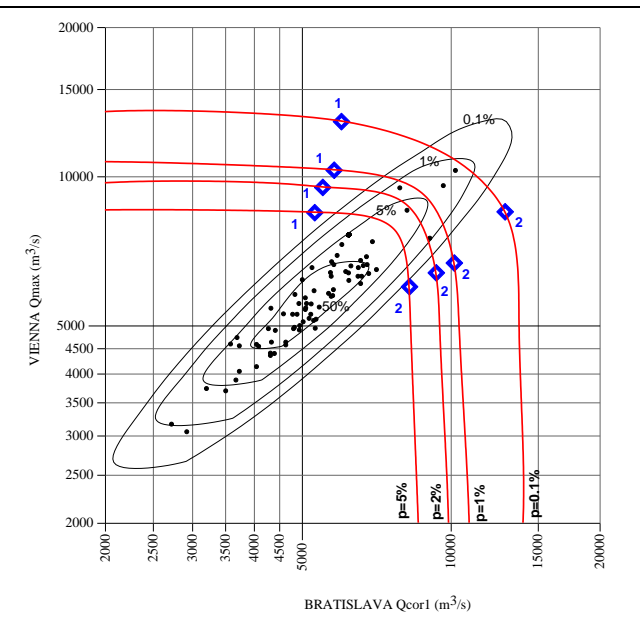

**Fig. 1.3/3.** Coincidence of maximum annual discharges of the Inn at HS P-Ingling and corresponding discharges of the Danube at HS Achleiten

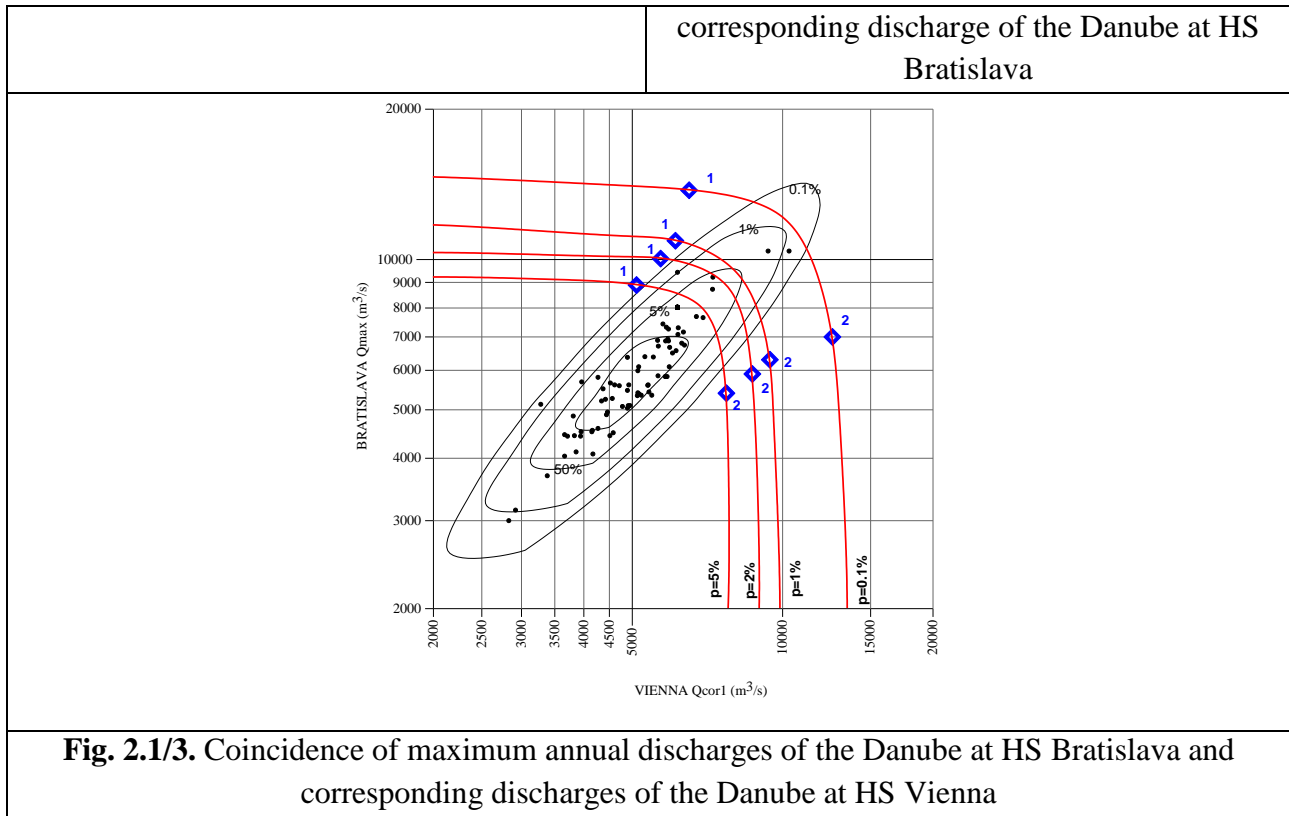

Appendix VII.2.1

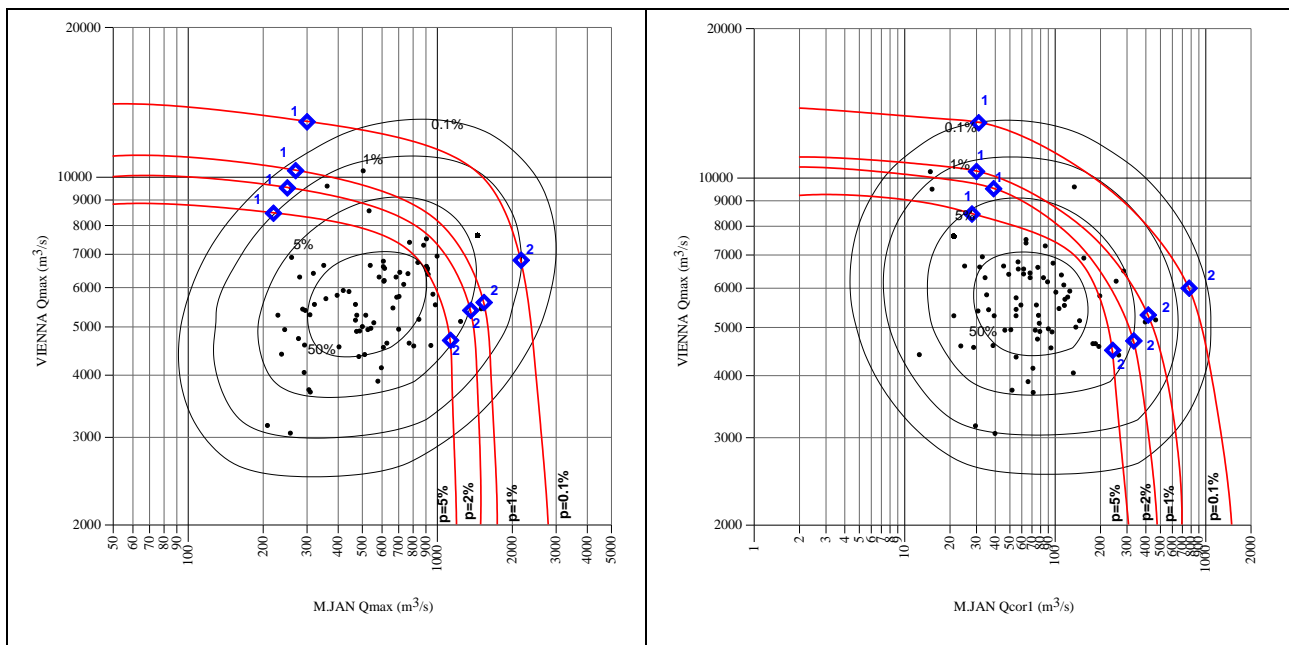

**Fig. 2.1/1.** Coincidence of maximum annual discharges of the Danube at HS Vienna and HS Bratislava

**Fig. 2.1/2.** Coincidence of maximum annual discharge of the Danube at HS Vienna and

Appendix VII.2.2

**Fig. 2.2/1.** Coincidence of maximum annual discharges of the Danube at HS Vienna and maximum annual discharges of the Morava at HS Moravsky Jan

**Fig. 2.2/2.** Coincidence of maximum annual discharges of the Danube at HS Vienna and corresponding discharges of the Morava at HS Moravsky Jan

**Fig. 2.2/3.** Coincidence of maximum annual discharges of the Morava at HS Moravsky Jan and corresponding discharges of the Danube at HS Vienna

Appendix VII.2.3

**Fig. 2.3/1.** Coincidence of maximum annual discharges of the Danube at HS Bratislava and maximum annual discharges of the Morava at HS Moravsky Jan

**Fig. 2.3/2.** Coincidence of maximum annual discharges of the Danube at HS Bratislava and corresponding discharges of the Morava at HS Moravsky Jan

**Fig. 2.3/3.** Coincidence of maximum annual discharges of the Morava at HS Moravsky Jan and corresponding discharges of the Danube at HS Bratislava

Appendix VII.3.1

**Fig. 3.1/1.** Coincidence of maximum annual discharges of the Danube at HS Bezdán and HS Bogojevo

**Fig. 3.1/2.** Coincidence of maximum annual discharge of the Danube at HS Bezdán and corresponding discharge of the Danube at HS Bogojevo

**Fig. 3.1/3.** Coincidence of maximum annual discharges of the Danube at HS Bogojevo and corresponding discharges of the Danube at HS Bezdán

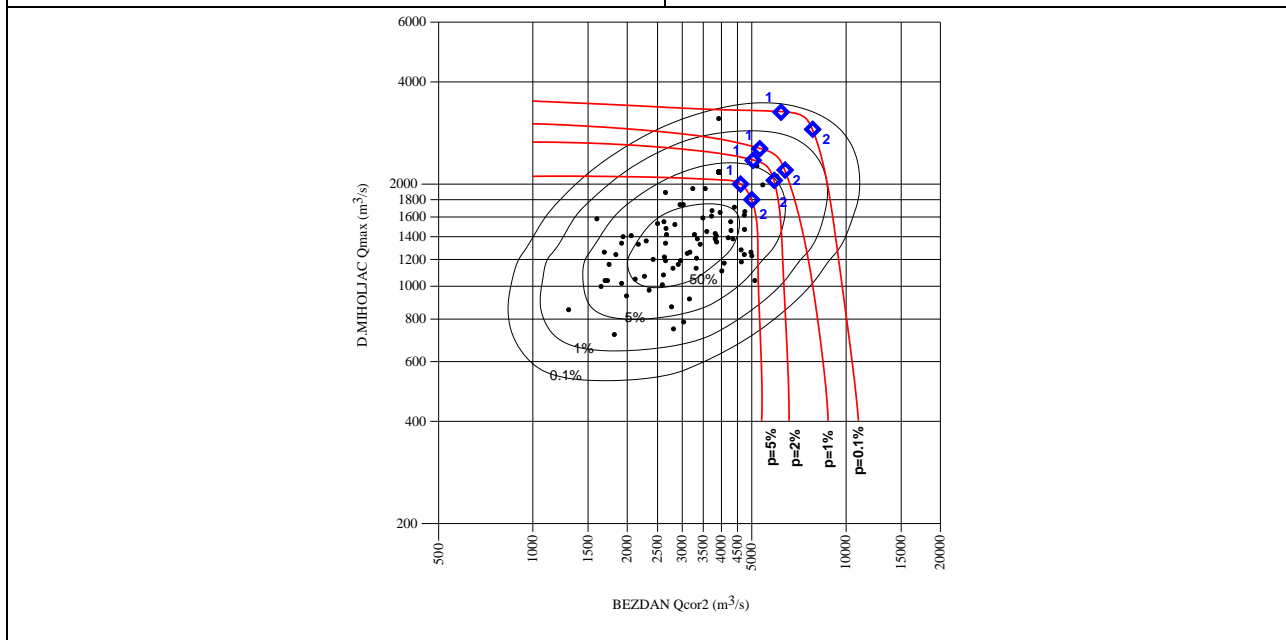

Appendix VII.3.2

**Fig. 3.2/1.** Coincidence of maximum annual discharges of the Danube at HS Bezdán and maximum annual discharges of the Drava at HS Donji Miholjac

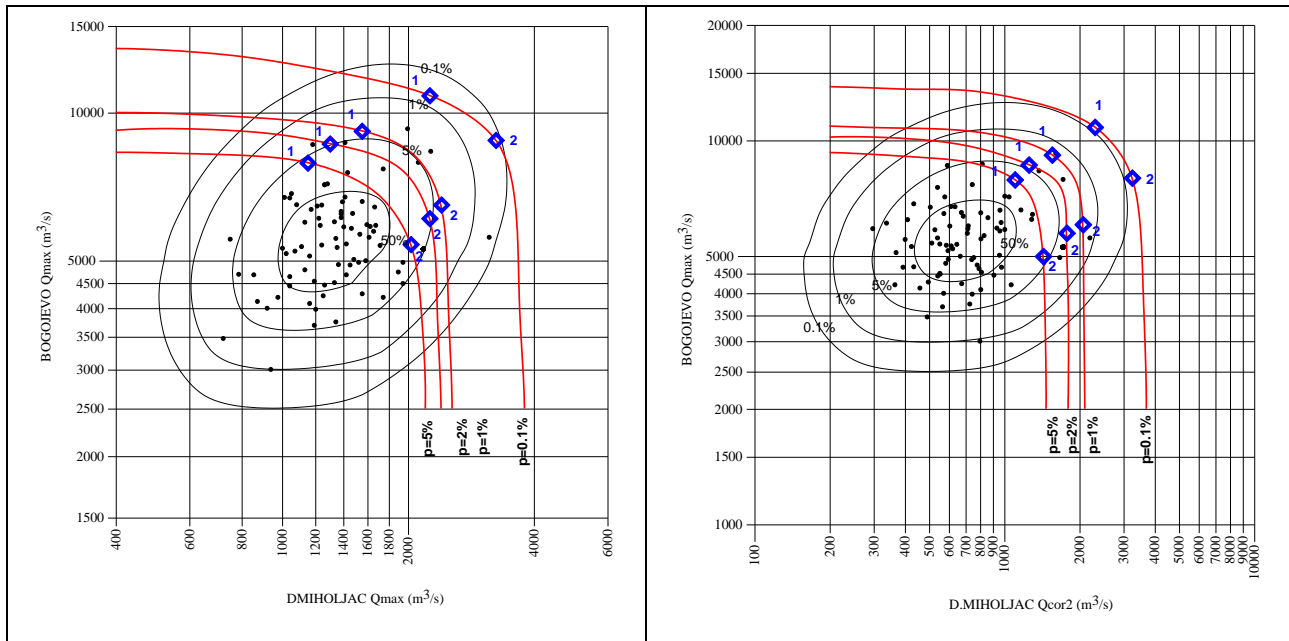

**Fig. 3.2/2.** Coincidence of maximum annual discharges of the Danube at HS Bezdán and corresponding discharges of the Drava at HS Donji Miholjac

**Fig. 3.2/3.** Coincidence of maximum annual discharges of the Drava at HS Donji Miholjac and corresponding discharges of the Danube at HS Bezdán

Appendix VII.3.3

**Fig. 3.3/1.** Coincidence of maximum annual discharges of the Danube at HS Bogojevo and maximum annual discharges of the Drava at HS Donji Miholjac

**Fig. 3.3/2.** Coincidence of maximum annual discharges of the Danube at HS Bogojevo and corresponding discharges of the Drava at HS Donji Miholjac

**Fig. 3.3/3.** Coincidence of maximum annual discharges of the Drava at HS Donji Miholjac and corresponding discharges of the Danube at HS Bogojvo

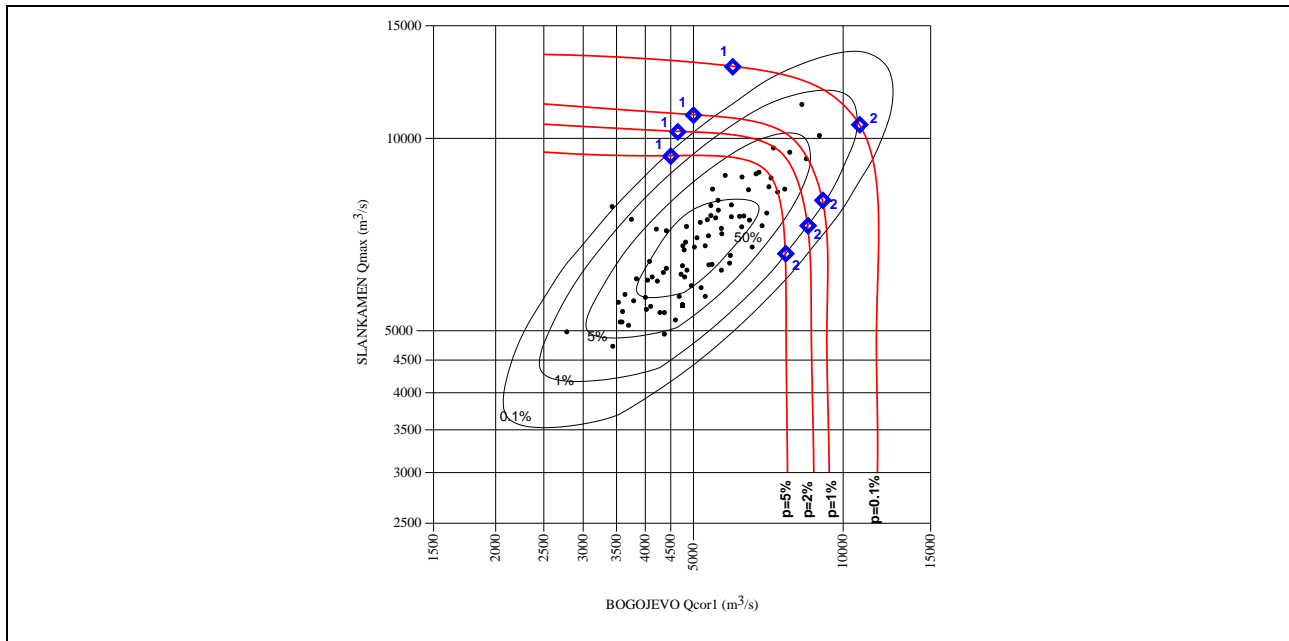

**Appendix VII.4.1**

**Fig. 4.1/1.** Coincidence of maximum annual discharges of the Danube at HS Bogojvo and HS Slankamen

**Fig. 4.1/2.** Coincidence of maximum annual discharge of the Danube at HS Bogojvo and corresponding discharge of the Danube at HS Slankamen

**Fig. 4.1/3.** Coincidence of maximum annual discharges of the Danube at HS Slankamen and corresponding discharges of the Danube at HS Bogojevo

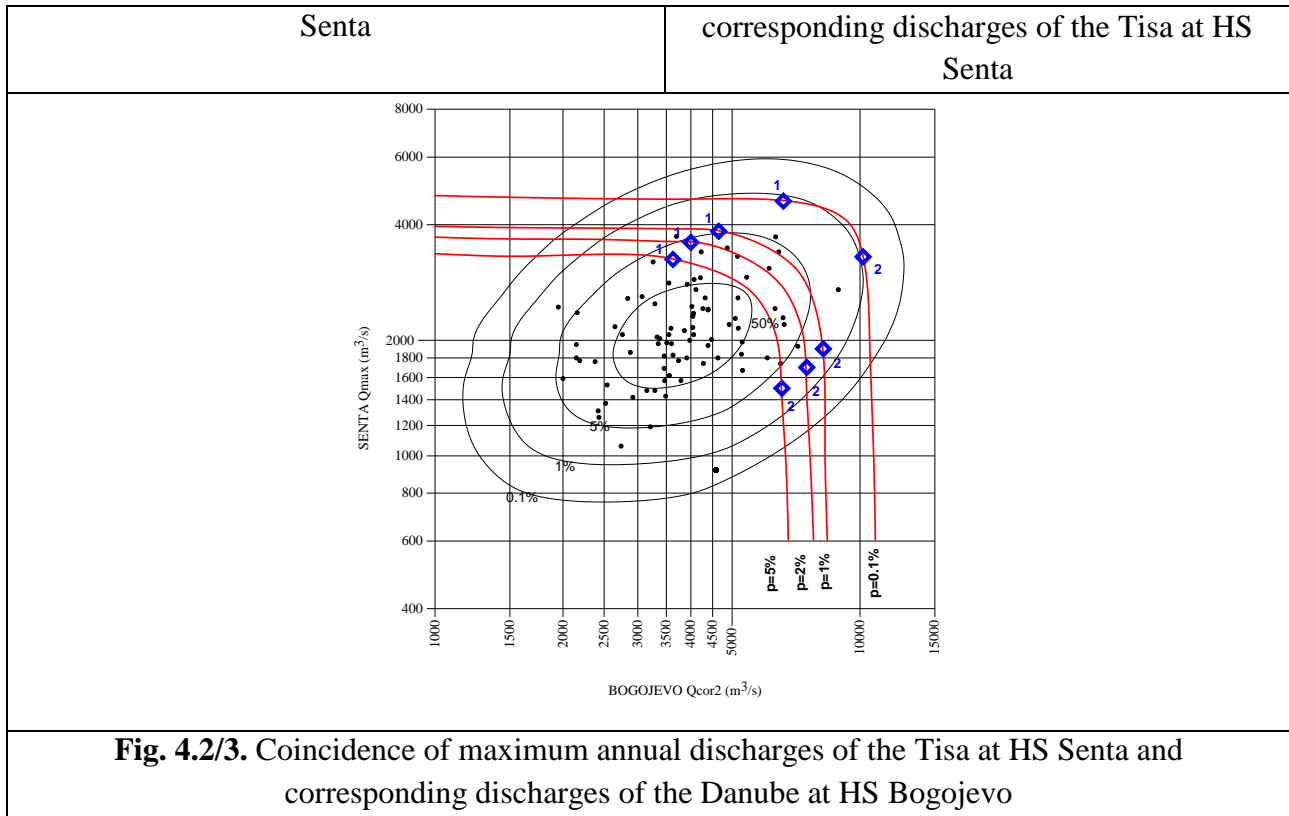

Appendix VII.4.2

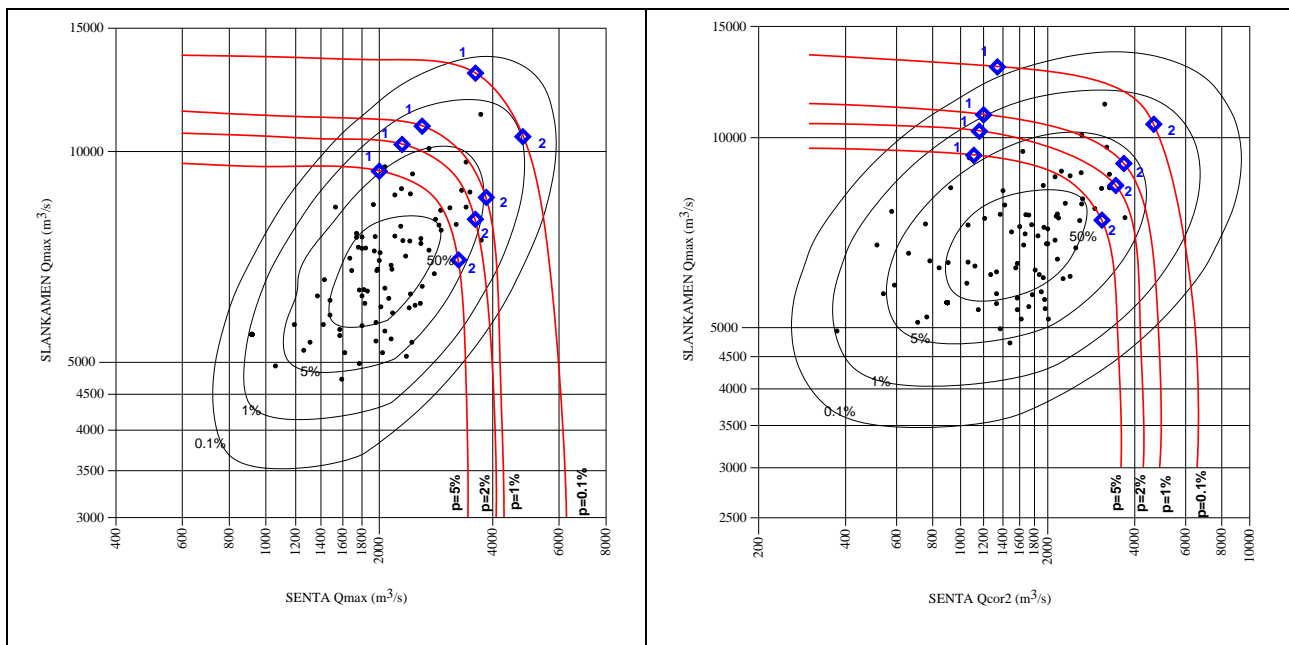

**Fig. 4.2/1.** Coincidence of maximum annual discharges of the Danube at HS Bogojevo and maximum annual discharges of the Tisa at HS

**Fig. 4.2/2.** Coincidence of maximum annual discharges of the Danube at HS Bogojevo and

Appendix VII.4.3

**Fig. 4.3/1.** Coincidence of maximum annual discharges of the Danube at HS Slankamen and maximum annual discharges of the Tisa at HS Senta

**Fig. 4.3/2.** Coincidence of maximum annual discharges of the Danube at HS Slankamen and corresponding discharges of the Tisa at HS Senta

**Fig. 4.3/3.** Coincidence of maximum annual discharges of the Tisa at HS Senta and corresponding discharges of the Danube at HS Slankamen

Appendix VII.5.1

**Fig. 5.1/1.** Coincidence of maximum annual discharges of the Danube at HS Slankamen and HS Smederevo

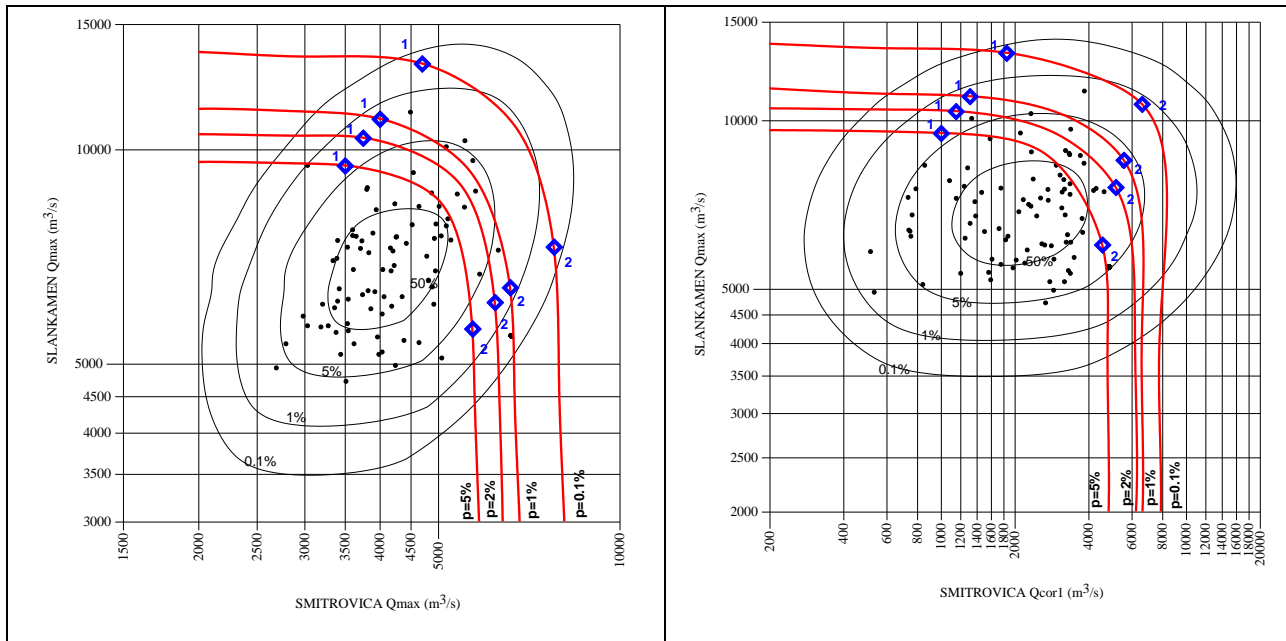

**Fig. 5.1/2.** Coincidence of maximum annual discharge of the Danube at HS Slankamen and corresponding discharge of the Danube at HS Smederevo

**Fig. 5.1/3.** Coincidence of maximum annual discharges of the Danube at HS Smederevo and corresponding discharges of the Danube at HS Slankamen

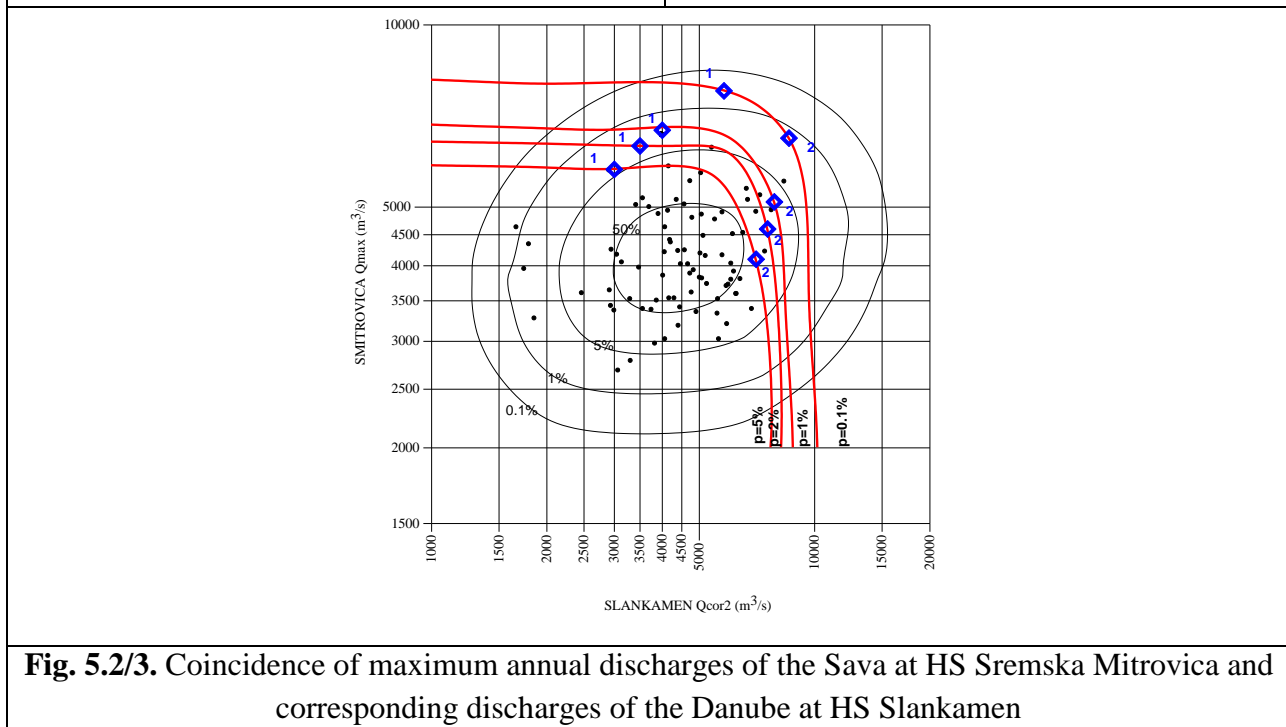

Appendix VII.5.2

**Fig. 5.2/1.** Coincidence of maximum annual discharges of the Danube at HS Slankamen and maximum annual discharges of the Sava at HS Sremska Mitrovica

**Fig. 5.2/2.** Coincidence of maximum annual discharges of the Danube at HS Slankamen and corresponding discharges of the Sava at HS Sremska Mitrovica

**Fig. 5.2/3.** Coincidence of maximum annual discharges of the Sava at HS Sremska Mitrovica and corresponding discharges of the Danube at HS Slankamen

Appendix VII.5.3

**Fig. 5.3/1.** Coincidence of maximum annual discharges of the Danube at HS Smederevo and maximum annual discharges of the Sava at HS Sremska Mitrovica

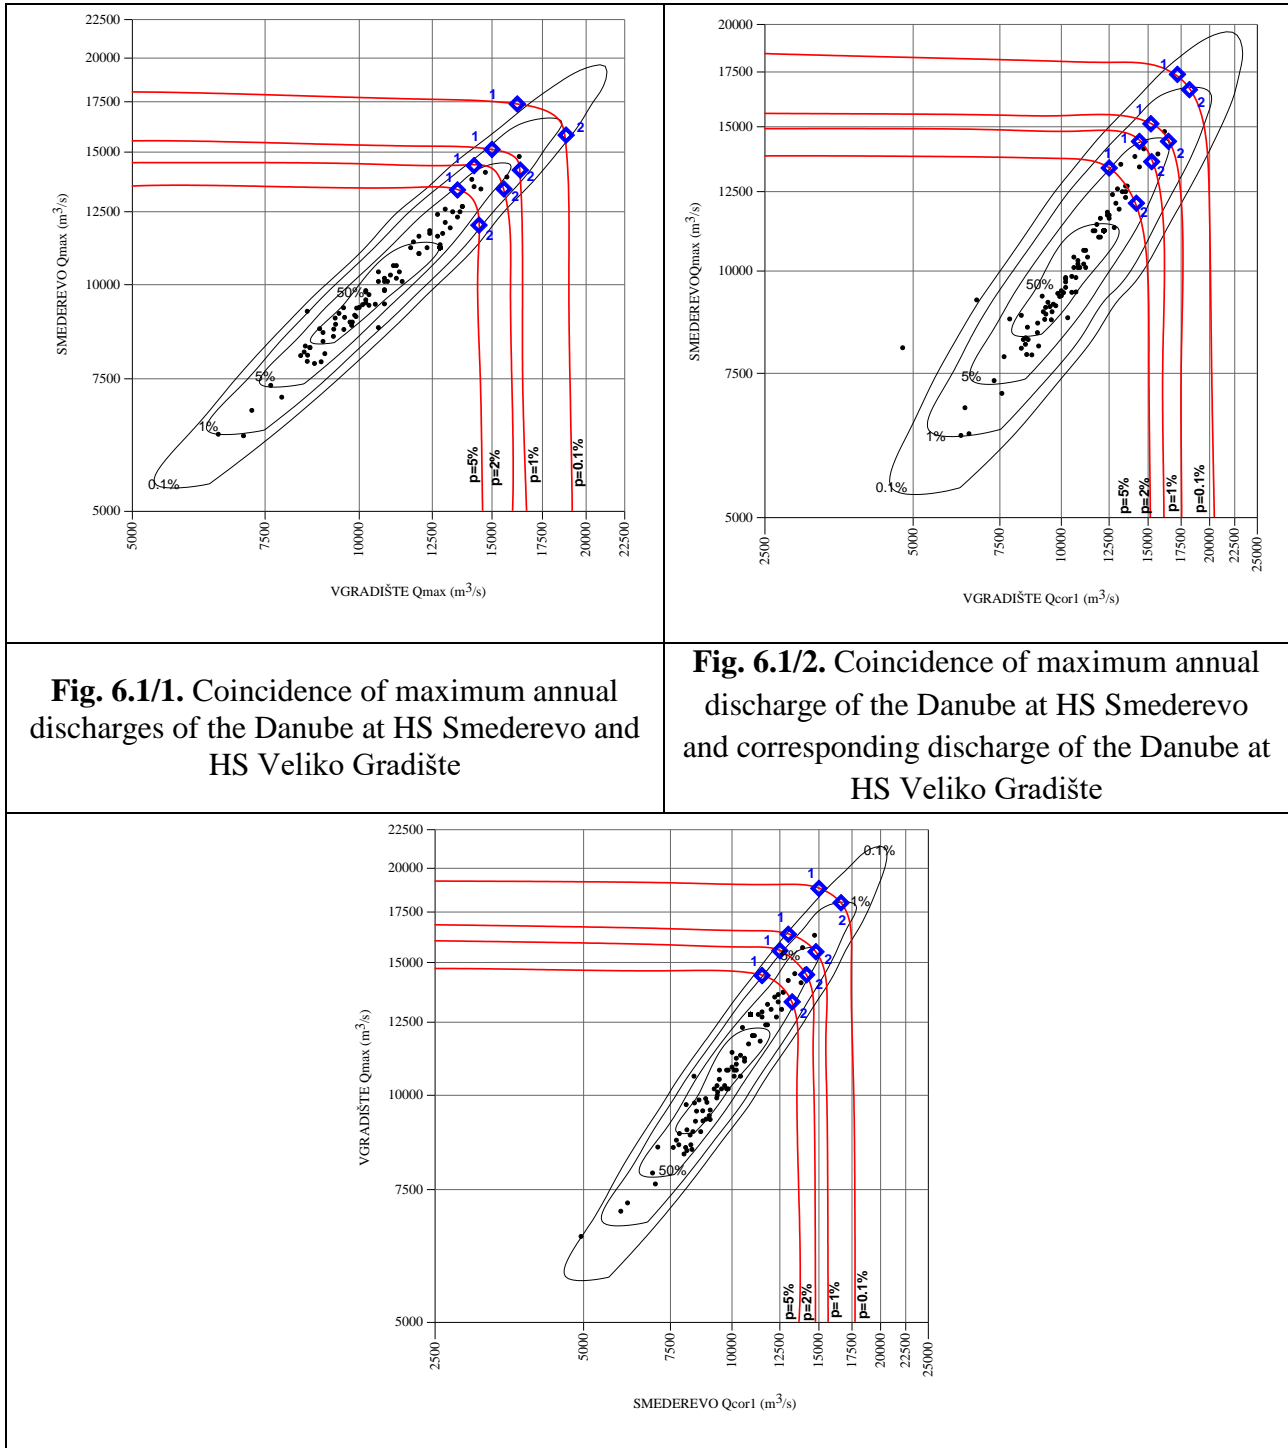

**Fig. 5.3/2.** Coincidence of maximum annual discharges of the Danube at HS Smederevo and corresponding discharges of the Sava at HS Sremska Mitrovica

**Fig. 5.3/3.** Coincidence of maximum annual discharges of the Sava at HS Sremska Mitrovica and corresponding discharges of the Danube at HS Smederevo

Appendix VII.6.1

**Fig. 6.1/1.** Coincidence of maximum annual discharges of the Danube at HS Smederevo and HS Veliko Gradište

**Fig. 6.1/2.** Coincidence of maximum annual discharge of the Danube at HS Smederevo and corresponding discharge of the Danube at HS Veliko Gradište

**Fig. 6.1/3.** Coincidence of maximum annual discharges of the Danube at HS Veliko Gradište and corresponding discharges of the Danube at HS Smederevo

Appendix VII.6.2

**Fig. 6.2/1.** Coincidence of maximum annual discharges of the Danube at HS Smederevo and maximum annual discharges of the Velika Morava at HS Ljubičevski Most

**Fig. 6.2/2.** Coincidence of maximum annual discharges of the Danube at HS Smederevo and corresponding discharges of the Velika Morava at HS Ljubičevski Most

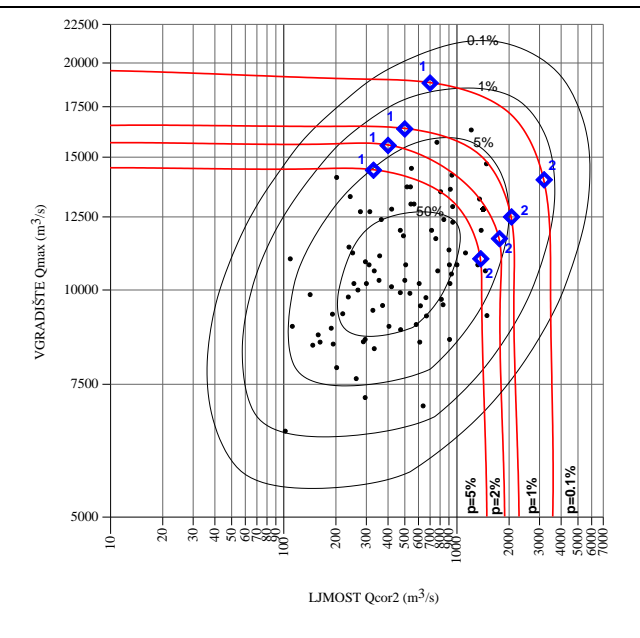

**Fig. 6.2/3.** Coincidence of maximum annual discharges of the Velika Morava at HS Ljubičevski Most and corresponding discharges of the Danube at HS Smederevo

Appendix VII.6.3

**Fig. 6.3/1.** Coincidence of maximum annual discharges of the Danube at HS Veliko Gradište and maximum annual discharges of

**Fig. 6.3/2.** Coincidence of maximum annual discharges of the Danube at HS Veliko Gradište
